

HOW TO USE THE [wolfhirschhorn.org](http://www.wolfhirschhorn.org) FORUM

1. Go to the forums page: <http://www.wolfhirschhorn.org/forum/>
2. Register or Login. You can log in using your same user name and password when you add a story.

3. When you get to the Log In page, log in or recover your password.

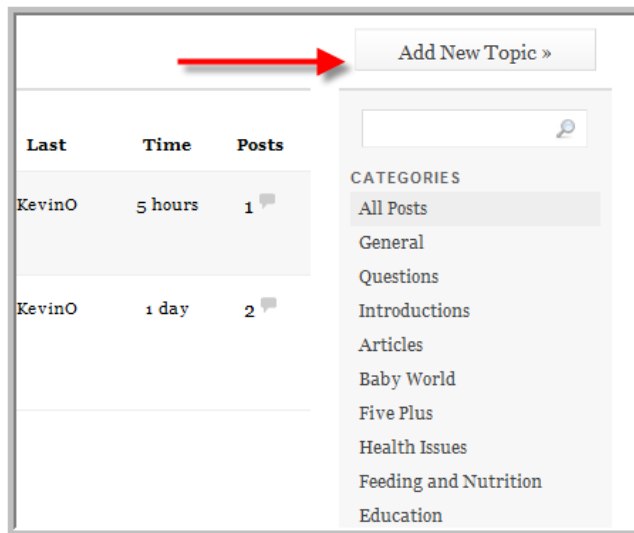

The screenshot shows the login and password recovery section of the website. It is titled "Log in" and "Password Recovery". The "Log in" section has a "Username" field with "KevinO" entered, a "Password" field with "....." entered, and a "Remember me" checkbox which is unchecked. Below these fields is a "LOG IN »" button with a red arrow pointing to it. The "Password Recovery" section has a "Username" field and a "RECOVER PASSWORD »" button below it.

4. Once you log in, you can do a number of things:

- a. Add a new topic
- b. Post to a current topic

5. To Add a new topic:

- a. Select "Add New Topic" near the top right of the page.

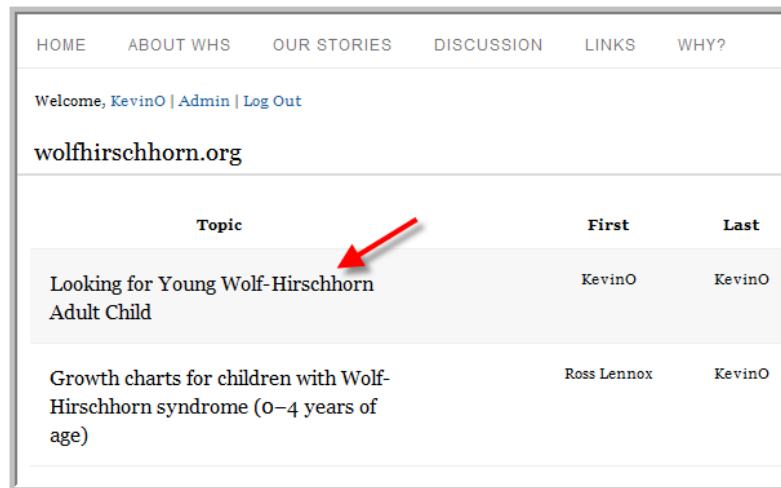

- b. Add a title, the discussion, select the category it fits, add some tags and hit Submit!

you are now done with adding a topic.

6. If you want to post to a current discussion:

a. Click on the topic
